Small Pools Solution

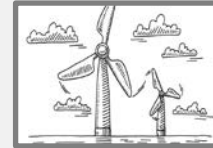

UKCS Subsea Safety Zones

Oil & Gas
Authority

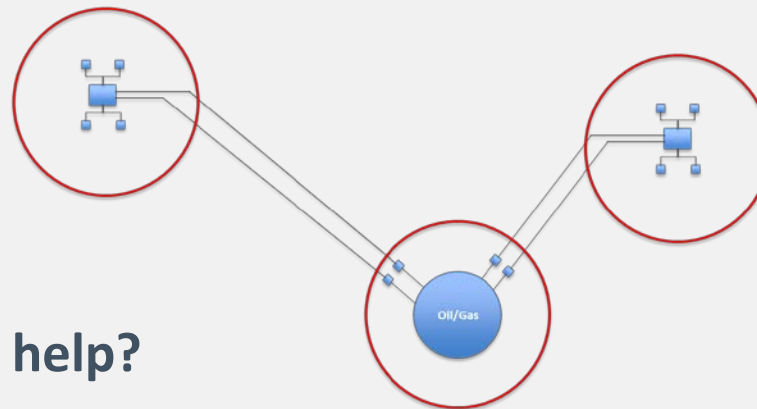

3 key Industries working in the UKCS

Can we better manage the interface?

Would monitored subsea safety zones help?

Technologies

- Satellite AIS & VMS
- Guard Buoys
- Smart Subsea Systems
- FishSafe Units
- Remote Asset Monitoring
- Data Management
- Revised Design Codes

Clear Seabed Post Operation

UKCS Subsea Safety Zones

Oil & Gas
Authority

Phase I Current Status

- Literature Review
- Governance Review
- Size of the Prize
 - Circular Economy
 - £1.7 – 3.0 Billion
 - Clear Seabed Policy

Phase II Road Map

- Steering Group
 - OGTC/OGUK/OGA/Operator(2)
 - SFF/NFFO/HSE
- Road Map
 - Legal
 - Liability
 - Risk
 - Industry interfaces
 - Technology
 - Guideline framework

Phase III Industry Guideline & Technology Road Map

- Steering Group
 - OGTC/OGUK/Operator(2)
 - SFF/NFFO
 - BEIS/HSE
- Industry Guideline
- Technology Road Map

Lower Lifecycle Costs / Circular Economy/ Clear Seabed
